

Mario Torre, Regional Coordinator for Québec – the Accounting Mentorship Program

A graduate from McGill University, Mario Torre received his Chartered Accountant designation in 1982. As a Partner at the firm's Montreal office, Mario has over thirty years of experience in providing auditing, accounting and advisory services to both public and privately held companies.

He offers business advice to a wide customer base operating in various industry sectors, including manufacturing, airlines, financial services, mining, high net worth holding companies and First Nation communities. In addition, Mario is fluent in French, English and Italian.

He is also an active member of the Canadian and Italian Business and Professionals Association.
